**Responsibilities of Credential:** Registered welders must comply with the following:

- a) may only perform those structural welding procedures for which the person has qualified by test within the last four years;
- b) carry proof as to which welding procedures the person has qualified by test; and
- c) present upon request to the department or its representative proof of the qualified welding procedures.

**Are you a Veteran?**

**If yes, please answer the following questions to see if you qualify for a fee waiver or equivalency for this credential.**

**1. Are you requesting a waiver of your initial credentialing fee?**

- ☐ Yes Provide a copy of your Department of Veterans Affairs voucher code. DVA Voucher Code: \_\_\_\_\_
- ☐ No Submit the fee of \$50.

**2. Are you requesting equivalency of your military training and experience?**

- ☐ Yes Provide copies of your service school academic reports, certificates of training, or training documentation signed by your unit's training NCO or any other relevant experience that would satisfy the requirements. You may attach a personal narrative to further explain why your education / training / experience in the military has helped you prepare for this profession.
- ☐ No Complete the requirements listed below.

**You may contact DVA at 1-800-WisVets or [www.WisVets.com](http://www.WisVets.com) for assistance in obtaining your DVA Voucher Code and/or documents related to your training and experience.**

**Qualifications for Credential:** Attach to this form a copy of the "Evidence of Completion of Structural Welding Tests". That document will be given to you by the weld test conductor after you successfully demonstrate competency in the specified structural welding tests. The qualifications will be satisfied if the "Evidence of Completion of Structural Welding Tests" is properly filled out and:

- a) shows the test was conducted by a certified weld test conductor; and
- b) shows the applicant has taken and passed not more than one year before the date the application is received by the department one or more structural welding tests in accordance with:
  - 1. American Welding Society standard D 1.1, section 4, part C. 2. AWS D1.2 Section 3, part D.
  - 3. American Welding Society standard D 1.3, section 4, part C. 4. AWS D1.6 Section 4, part B.

A copy of the "Evidence of Completion of Welding Tests" may be obtained from one of the following weld test conductors:
